

ICCCI 2026

18TH INTERNATIONAL CONFERENCE ON COMPUTATIONAL COLLECTIVE INTELLIGENCE

SEPTEMBER 23-25, 2026

HERAKLION, GREECE

ICCCI 2026 is an international scientific conference for research in Computational Collective Intelligence. Aiming at providing an internationally respected forum for scientific research in the computer-based methods of collective intelligence and their applications, ICCCI 2026 includes all topics related to processing data and knowledge from autonomous sources, especially in: collective processing, knowledge integration, data integration, group decision making, multi-criteria decision making, consensus computing, and social networks.
